To all the member federations participating in the European Team Championships 1st League

Item: 1

"Considering the unpredictability of the weather in the coming days, a decision was made to move the pole vault competitions to the indoor hall (Sandneshallen). Technical issue in the Final B of the 4x400 Relay Men
To all the teams participating in the European athletics team championships 1st League

Item: 2

Dear Teams,

Due to technical issues, there were no fully automatic times available in the second heat of the 4x400m men relay. However, hand time of the winning team (Turkey) as well as images from the photo finish system indicating the time intervals between the athletes were available. These data were used to establish the summary ranking of the event and allocate the applicable points accordingly.

Due to the above no official timing is available for heat B, and the results are indicated as NM (No mark).

We apologise for this technical issue which did not have any influence on the final team standings as well as the promotion and relegation of the teams.
